

## Portable LED USB Flexi-Lamp

### Versions

Ref	Finish
410.435UK	Black
410.436UK	White

A handy, portable USB lamp with touch control, 3 brightness settings and a flexible goose-neck stem for ideal positioning. The USB connection makes it perfect to add extra light for home or travel.

- Flexible rubber gooseneck directs light to exactly where it is needed
- Touch control for 3 levels of brightness
- 14 bright LEDs sit behind a plastic diffuser for even light projection
- USB powered for ultimate portability
