# LED Party Bar and Stand Kit

Item ref: 151.735UK

Please read through this manual thoroughly before use, any damage caused by misuse of product will not be covered by warranty.

Perfect for home parties and smaller venues the QTX PAR-T Bar and stand kit comes in one convenient package. The bar itself comprises of 2 colourful magic ball effects and 14 bright LED PAR lights which combine to provide an array of dazzling patterns and effects. A simple switch on the back of the unit provides the choice of various automatic colour changing modes or a sound to light function. The included remote control offers an even wider variety of features making the PAR-T Bar perfect for both home or professional use.

#### In the box:

Your PAR-T Bar should arrive with you in a single carton in good condition. The carton should contain  $1 \times 1$  main unit,  $1 \times 1$  floor stand,  $1 \times 1$  tripod mounting bracket,  $1 \times 1$  mounting bracket,  $1 \times 1$  remote control and  $1 \times 1$  user guide.

## Warning:

To prevent risk of fire or electric shock, do not expose the unit to rain or damp environments. In the event of a spillage, disconnect from the mains and allow the unit to dry out naturally. Qualified personnel should then check the unit before continuing use.

#### Placement:

- Use the tripod fixing bracket to attach to the included adjustable floor stand.
- Ensure the unit and stand are positioned away from walkways and places where it could be tripped on or knocked over.
- Alternatively use the included mounting bracket to fix to a stand or lighting truss.
- Keep away from damp or dusty environments.

## **Usage Instructions:**

- Connect the unit to the mains power supply and switch on.
- Use the switch on the back of the unit to choose between auto and sound to light modes, along with master power off.
- Please note: the supplied remote control will only work when the switch on the back of the unit is set to auto or sound to light modes.
